

Write about the law -- and get it right! Learn your way around the legal landscape! The world of law and lawyers, with its suspense, its moral quandaries, and its ripped-from-the-headlines subject matter, provides wonderful material for fiction. This guide will help writers explore these many story possibilities -- while avoiding the also-numerous pitfalls awaiting the unwary author. It can also serve as an overall reference for law and prelaw students, or for anyone wishing to understand more about the American legal system. Included throughout the book are ideas for stories or story elements based on the content and available for the readers use. "A book I would have liked to have had as a law student. A book that would also be of value to writers of legal fiction. . . . I can recommend Wyles Closest to the Fire as an accessible, digestible, and useful guide. . . . An I get it now, sort of book." -- author Jamie Campbell [Wyles] writing is as clear as glass. . . . If you are a writer and you need a resource on law and lawyers, this is your go-to source. -- author Danusha Goska I recommend [this book] for any adult living in the United States. -- McNeil Reviews Karen A. Wyle is an award-winning appellate attorney with more than thirty years experience. A cum laude graduate of Harvard Law School, she worked for law firms and the California Court of Appeal before establishing her solo practice in Bloomington, Indiana. Wyle has filed amicus briefs in the U.S. Supreme Court and seven state supreme courts. She has also written and published five novels. One-quarter of her novel Division is set in a near-future courtroom.
