

After Daniel Rock is forced to see his father's church and school burn to the ground by the Klan, he has only one thought, to go to Arizona and see Cameron Farley, a white man who had promised to repay Amos Rock for saving his life. In spite of his father's adamant objections, Daniel takes the family mule and heads west, leaving Arkansas behind until he can get all the former Rough Riders he can to come back to rebuild the church and stand up to the Klan. Praying the God will help him, can Daniel get these men to risk everything, even their lives to stand up to the racists who will do anything to stop Amos from teaching black children to read and write? If so, they better be prepared to face the wrath of the Klan and the black community who see them as ignorant whites who will only make their lives worse--if that's possible?
