

Special avoidance in insolvency constitutes an intersection of the oppositional principles of distribution which govern civil law: the principle of priority, which entrusts the allocation of goods to personal autonomy - the market - and the principle of equal treatment, according to which creditors of an insolvent debtor each receive the same rate on their claims. This work comprehensively examines the individual facts of each principle on a uniform dogmatic basis.

50+ Questions to Ask to Downsize Your Life: Make the Right Decisions About Your Stuff, El vampiro (Spanish Edition), Gettysburg Charge Picketts Charge and Other War (Classic Reprint), Public Speaking and Presentations for Dummies, Sexual Freedom in Restoration Literature, The Forbes Book of Great Business Letters, The Row House Reborn: Architecture and Neighborhoods in New York City, 1908-1929,
