

Long before the days of Mortal Engines, London is poised on the brink of apocalypse. Huge armoured fortresses are advancing across the wastelands - a new and terrifying kind of enemy. The city is days away from ruin. Buried in London's past is a secret that may save it. But only one key can unlock it - an odd-looking orphan named Fever Crumb. Set centuries before the events of Mortal Engines, Fever Crumb's paralysing mission will make your heart stop.
