

Apostle Paul, King David, and Gideon are all some of the Bible's greatest figures, and they all had one thing in common.... they were all flawed! That's right, these great men of God were all flawed. In fact, they all had several flaws. Why is this important? It's important because everyone- including yourself- shares this trait with these great figures. By examining their characters and how they were able to overcome their flaws in the light of God's glory, we can learn to better ourselves through our own flaws and begin building our faith stronger than ever! In "Flawed but Faithful- Finding Meaning in our Faults", we examine how nobody is perfect and how this common trait can be used to spur personal growth. In this inspirational book, you will see how the Apostle Paul needed time to turn to God, how King David overcame his great sins to become a man of God, and how Gideon learned to trust his faith when he originally needed proof of God's amazing love. Many of us struggle with sins and our faith from time-to-time, and we are not alone. This important look at the Bible reminds us of that and encourages us to do better. God knows you aren't perfect, just as he knew these Bible figures were not perfect. He was patient with them and loved them regardless, and He will welcome you in the same way. Learn to embrace imperfection, trust your faith, undergo tremendous personal growth, and become a stronger Christian in this inspirational book. An in-depth look at some of the Bible's greatest stories about imperfection and how it relates to our modern lives complements the author's intelligent commentary to show you the path to a stronger faith.

Flawed but Faithful Finding Meaning in our Faults. has 28 ratings and 3 reviews. Lillian said: Out of the mouth of a Millennial For a young author like. Flawed But Faithful: Finding Meaning in Our Faults by Bauer Pastor Joey Bauer from driftjournal.com Only Genuine Products. 30 Day Replacement Guarantee. In this motivational book, the author examines how nobody is perfect and how this common trait can be used to spur personal growth. You will. The fallacy is classic but it's a lot easier to cast blame than to be scientific For, making mistakes means being flawed and being flawed means. I find ridiculous flaws like their chin, their eyes, their figure, their I want to find someone perfect for me, but I realize I have to reduce my definition of perfect. Methinks maybe he wasn't as faithful as he claims he was or he.

Yet for some politicians, the definition of a moral leader has little to do with God, being faithful to a spouse or abjuring untruths and devious business practices. But the ability to combine personal purity with the political skills to lead A common perception is that politicians who are too clean may find it too.
