

This book is full of unknown information, that has never been released to the public. It contains detailed information about the credit bureaus and how their database operates. Anyone who has good or bad credit should read this book. This book takes an inside look at the tactics that can be used for individuals seeking to get ahead in life without the use of credit repair or debt consolidation companies. If you ever wanted to know about the secrets of the credit bureaus I stress that you read this book.
