

Cast Spencer Tracy as Speed Kyle, master-builder of the hottest, fastest planes around. Then give the role of Cal Bradley, daredevil test pilot who pushes those planes to the limit, to a young hotshot like Tony Curtis. Add Grace Kelly as Speed's blond bombshell daughter who fears that Cal will go too far - and you've got a winner. And as far as Speed and Cal are concerned, winning is everything. Speed's company is bleeding cash, and they need money quick. They're competing in the upcoming National Air Meet, and to the victor goes the spoils - some extremely lucrative contracts. But there's sabotage in the air and love on the ground - and together they make a very volatile mix. If you love fast planes, fast action and unforgettable women, grab onto Hurling Wings and hold on for dear life. As a barnstorming pilot in the early days of aviation, Hubbard was dubbed Flash Hubbard by the aviation magazines of the day. He covered air meets and the latest developments in aviation, advising pilots on flying in adverse conditions. His unique and pioneering insight of flight streaks across the page in novels like Hurling Wings.
