

Profit from Your Unique Advantages as a Small Investor--Speed and Flexibility! ^Â
â€œThe book you are holding is, hands-down, one of the most original and insightful books I have ever read when it comes to teaching you, the individual investor, not only why you have the ability to beat the Whales of Wall Street, but also how you can do it.â€• --from the foreword by James J. Cramer, CNBCâ€™s Mad Money and TheStreet.com ^Â â€œEven investors who concentrate on fundamentals can benefit from Jim DePorreâ€™s Shark approach to investing. At the very least they will know why, for a time, they can get the facts right but the stock wrong.â€• --Herb Greenberg, senior columnist, MarketWatch.com ^Â â€œThere are very few traders who have RevSharkâ€™s intuitive feel for the market. I especially appreciate Revâ€™s unique ability to recognize and utilize the distinct advantages of being a smaller, individual investor versus the less agile large institutions.â€• --Barry Ritholtz, Chief Investment Officer, Ritholtz Capital Partners ^Â As an individual investor, you can swim circles around the â€œwhalesâ€• of Wall Streetâ€|by investing like a shark! In this book, James â€œRevSharkâ€• DePorre reveals how to maximize your powerful and unique advantages as a small investor: speed and flexibility. Youâ€™ll develop a completely new way of looking at the stock market, learn when to attack, how to move aggressively, how to stay flexibleâ€|and when to swim away in the face of danger. Youâ€™ll learn why â€œbuy and holdâ€• is todayâ€™s riskiest strategyâ€|and exactly what to do instead. In short, youâ€™ll learn the same disciplined investment techniques that helped DePorre build a tiny nest egg into a huge fortune and transformed his life. ^Â If you read TheStreet.com, RealMoney.com, or SharkInvesting.com, you already know DePorre and his inspiring personal story of how he lost his hearing, career, and marriageâ€|turned to online investing out of desperationâ€|and succeeded beyond his wildest dreams. Now, in this fast-paced, insightful, and entertaining book, DePorre shows how you can do it, too. ^Â How to invest like a sharkâ€| Stay in motion, trolling for your â€œnext mealâ€• Stalk your prey patiently, relentlessly, and without emotion Move fast when thereâ€™s blood in the water Know when to strike Know when to swim away Sell when you sense danger Feed on the frenzied crowd Profit from othersâ€™ fear, despair, stupidity, and greed Use all your unique advantages and strengths Leverage small caps, technical analysis, and the tremendous power of cash Invest with the sharkâ€™s attitude Be active, adaptive--and control your own destiny
