

Billionaire businessman, Cal Sellers had the only woman he's ever loved, but with one careless, arrogant act, he lost her. Now as she stands in his office begging for her old job back, he has no intention of losing her again or hiring her. He has an altogether different position to offer her... Lucy Monroe will do anything to protect her daughter and stay as far away from her vicious ex-husband as she can even if it means marrying the no good, egotistical man who broke her heart, Cal Sellers. Determined to make up for the past, Cal pulls out all the stops to woo and protect Lucy while showing her they can have more than a passionate marriage of convenience. But with her ex becoming dangerously violent, will Cal's love and security be enough to save them all?
