

Andy Welch is a creative bicycle traveller. He cycled from England to India via Iran, Pakistan, Nepal and Mongolia. Before making his epic trip Andy created an escape plan from his office job whilst earning money to prepare himself for his journey. With his friend he planned countries that he wanted to visit, acquired equipment sponsorship, mainstream media publicity, researched and kitted himself with the necessary bicycle and camping equipment. He took up travel photography and filmmaking. All this process was on a minimal budget and achieved whilst still in a full-time job, that allowed him to then hand in his notice and hit the road and can also allow you to do the same. All the information you need to escape and do a journey of a lifetime that will change your life forever.
