

SENTENCE-COMBINING WORKBOOK uses sentence-combining techniques to help students develop confidence in their writing at the sentence level. Each unit in this text focuses on a specific sentence-level technique followed by a set of sentence-combining exercises involving a narrative story or factual topic. This organization provides the practice students need to communicate their ideas in clear sentence structures. The fourth edition features a new Phrases and Clauses unit, as well as updated exercises. The innovative story-telling approach that SENTENCE-COMBINING WORKBOOK uses ensures that students practice viewing individual sentences as part of a larger context while developing their sentence expansion skills.
