

The use of a Slow Cooker or Crock Pot is preferred by many as a way of cooking different kind of dishes because of the convenience that it brings. The preparation is pretty simple, all you need to do is to combine your ingredients in the Slow Cooker and be sure that your settings are correct. The idea behind is to cook it slowly to achieve soft texture and rich taste. But since it will require many hours to cook, you can do several tasks at home while waiting for it to finish cooking. You can do the laundry or clean the house and by the time you are finished with the other tasks your meal is also ready to be set on the table. Sneak Peak!
