

Reinforce your child's fifth-grade language skills with Spectrum Vocabulary. With the progressive lessons in this workbook, your child will learn words through strategies related to word relationships, topic-specific vocabulary, and root and base words. Spectrum(R) Vocabulary helps your child systematically build and strengthen vocabulary and comprehension skills. Students in grades 3-6 will find lessons and practice in word classification, context clues, root and base words, prefixes and suffixes, and imported words. Each workbook also includes test-taking practice sections and an answer key. Aligned to current state standards, Spectrum is your child's path to a strong and expanding vocabulary. Spectrum, the best-selling workbook series, is proud to provide quality educational materials that support your student's learning achievement and success.
