

The Power of Collaborative Leadership: Lessons for the Learning Organization helps business leaders realize the promise of organizational learning by sharing the lessons, insights, and best practices gained by two veteran managers and organizational learning pioneers. The book makes organizational learning principles and concepts more concrete by grounding them in the practical experiences of two major companies. The Power of Collaborative Leadership helps business leaders realize the promise of organizational learning by sharing lessons, insights, and best practices gained by Bert Frydman and Iva Wilson, two veteran managers and organizational learning pioneers. Together with JoAnne Wyer, a professional learning analyst, they show that in order to be effective leaders of business organizations, we must transform an organizations methods of absorbing new information and its ability to transform it into knowledge and wisdom. This book offers some provocative and practical ways to overcome many commonly held assumptions and practices that can actually impede learning and the improvement of the organization.
