

Excerpt from The Works of Laurence Sterne, Vol. 9 of 10: Containing, the Life and Opinions of Tristram Shandy, Gent; A Sentimental Journey Through France and Italy; Sermons, With a Life of the Author, Written by Himself When I was asked to whom I should dedicate these Volumes, I carelessly answered, To no one - Why not? (replied the person who put the question to me.) Because most Dedications look like begging a protection to the book. Perhaps a worse interpretation may be given to it. No, no! already so much obliged, I cannot, will not, put another tax upon the generosity of any friend of Mr. Sterne's, or mine.
