

Lucy B. Parker has finally settled into her new life in New York City, living with her new frister (friend + sister), superstar Laurel Moses. Shes got a new BFF in Beatrice, and shes spending her summer vacation off in L.A., visiting Laurel on the set of her new movie and meeting teen heartthrobs left and right. Life is good, until Lucy develops a crush - and unlike previous crushes, this one is not on a character in a book or a movie, but on a real, living, breathing boy - Beatrices brother, Blair. Unfortunately for Lucy, nothing ever seems to go as she plans. Because although Lucy dreamed that Blair would be her first kiss, it seems like someone else might beat him to it!
